

Hitachi's 5 Year Projector and Lamp Warranty Offer!

HITACHI
Inspire the Next

*Offer applicable to
UK & Eire educational
establishments only*

5 year de-install/re-install warranty and 5 year lamp warranty free of charge*

Purchase a qualifying Hitachi projector between 19th March and 27th April 2018 and receive a free 5 year projector de-install/re-install warranty, as well as 5 year lamp warranty, available upon registration.

The Hitachi range of projectors can make any learning situation engaging. Add to this our extensive security features and extended warranty and this is an offer you can't afford to miss.

Just register your purchase online at www.hitachidigitalmedia.com/extendedwarranty, by the 27th April 2018. Please see the Contact Us section overleaf for more details.

†Standard 5-year projector warranty is for an onsite, de-install/re-install warranty (the unit will be swapped for either a new or reconditioned unit of a similar age) upon customer registration. 5 Year lamp warranty is subject to a fair usage policy of 6 hours per day, 5 days a week, 52 weeks a year (totalling 1560 hours per year).

**Lumens shown for normal mode

5 Year Projector & Lamp Warranty FREE* on selected Hitachi projectors

Why buy Hitachi?

SECURITY

You don't have to worry about security. Hitachi education projectors come with multi-level PIN-Locks, transition detector, steel security bar and Kensington Lock point.

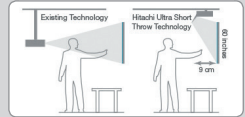

EASY TO USE

Plug in, turn on and teach. Hitachi projectors have a quick on/off feature, automatic resolution and a user-friendly teachers' remote control allowing you to concentrate on what matters – the lesson.

ECO-FRIENDLY

Hitachi's education projectors feature long life lamps and extended hybrid filters which significantly increases maintenance intervals, reducing the amount of electronic waste and protecting the environment.

NO GLARE

Traditional projectors dazzle people, Hitachi's unique Ultra Short Throw Technology means you don't stand in front of the projector so the light beam won't shine in your eyes.
