

Introducing the new Commercial Television range from Sahara. Combining all the great features of a consumer HDTV with the peace of mind of a commercial warranty.

Key Features

- LED
- Full HD
- Freeview Tuner
- USB Cloning
- Comprehensive Warranty

Functions and Features

The Sahara Commercial Television range has all the usual features you would expect from a consumer television such as a LED backlight, Freeview tuner, EPG and stylish brushed bezel. Featuring HDMI, VGA and USB Cloning for mass roll-outs this range of commercial televisions is perfect for applications where functionality and style meet. The 40, 46 and 55-inch models feature a clear flat swivel stand ensuring great viewing at all angles.

Hotel Mode featuring:

- Setting lock – Set up the TV to desired settings and then lock down settings to avoid tampering.
- Volume Lock – Set a maximum volume to avoid noise complaints.
- USB Cloning - Allows settings to be cloned onto a USB stick. This can then be applied to other TV's via the USB Stick.

Applications:

- Reception Areas
- Meeting Rooms
- Leisure Venues
- Signage Players
- Hotels and Tourism
- Healthcare
- Education
- Retail and Entertainment

i
